## CLUBWORKS.COM

The only platform of its kind in existence, ClubWorks is a wholly-owned network of elite firms providing professional services for every stage of development and evolution in the private club, real estate, and hospitality industries. Made up exclusively of best-in-class partner firms, the ClubWorks collective includes Peacock + Lewis Architects and Planners, a premier hospitality and club amenities design firm; JBD JGA Design and Architecture, an award-winning hospitality design company; Visionary Spectacle Studios, an architectural visualization services firm; GGA Partners, an international consulting firm and advisor to clubs, resorts, and residential communities; Private Club Studios, a full-service marketing firm focused exclusively on private clubs; ClubWorks Engineering, a dedicated engineering firm offering MEP and Fire Protection services; Buffalo Groupe, a full-service integrated marketing agency; and Kuo Diedrich Chi Architects, an award-winning full-service international architecture and design firm specializing in club and resort design. Aligned in values and complementary service offerings, the firms combine to elevate industry standards, enrich client experiences, and provide unmatched expertise to premier club, real estate, and hospitality businesses.
