## About Peacock + Lewis

Peacock + Lewis Architects and Planners is a premier master planning, architecture, engineering and interior design firm specializing in bespoke hospitality and club amenities. In January 2022, Peacock + Lewis joined ClubWorks, a portfolio of industry-leading firms serving the private club, hospitality, and real estate development industries, founded by Tidewater and Palm Beach Capital. Peacock + Lewis has completed over 2,500 successful new and remodeled clubhouse projects and crafted over 300 master plans tailored to clients' unique visions. Founded in 1961 on the Island of Palm Beach, the firm operates from its South Florida offices in North Palm Beach, Palm Beach Gardens, and Naples, serving the world's most prestigious private clubs. Known for its commitment to client satisfaction, Peacock + Lewis fosters strong, lasting relationships through a collaborative team culture and innovative solutions that align seamlessly with client goals.
